

RECOMMENDED OUTERWEAR

Being warm and dry at outdoor school makes learning more fun! Below, you'll find pictures and links to the outerwear we recommend for students participating in our outdoor school programs. If you have questions about these items, please talk with your student's teacher. We will have extra coats, boots, and gloves to loan to students who do not have these items.

ROPA EXTERIOR RECOMENDADA

¡Mantenerse abrigado y seco en la escuela al aire libre hace que aprender sea más divertido! A continuación encontrará fotografías y enlaces a la ropa exterior que recomendamos para los estudiantes que participan en nuestros programas escolares al aire libre. Si tiene preguntas sobre estos artículos, hable con el maestro de su estudiante. Tendremos abrigos, botas y guantes adicionales para prestarlos a los estudiantes que no tengan esta ropa exterior.
